

Dear colleagues!

We are delighted to invite you to attend the International Scientific Conference in honour of the 100th birth anniversary of Doctor of Agricultural Sciences, Professor **HRYHORII R. PIKUSH**, that will be held on March 20–21, 2024

The conference will be held in a hybrid format, by a combination of live and online authors' presentations on the **Google Meet** platform.

Following the conference, it is planned to publish a Proceedings of the International Scientific Conference.

Thematic axes of the Conference:

1. The scientific path of H. R. Pikush;
2. Innovative technologies for the cultivation of high-quality crops;
3. Modern agricultural systems;
4. Storage and processing in crop production;
5. Crop breeding and biotechnology in crop production;
6. Seed production and seed science;
7. Modern aspects in the development of the livestock industry;
8. Current economic issues in the agro-industrial production.

We invite to participate in the conference Doctors and Candidates of Sciences/PhDs, Doctoral Students, Researchers, Postgraduate Students, Masters, managers and specialists of commercial organizations and public and municipal authorities, all interested persons regardless of the place of study, work and residence.

Conference agenda:

March 20, 2024

- 8.00 a.m. – Participant Registration;
- 9.30 a.m. – Opening Ceremony,
Plenary Meeting;
Participants' Speeches;
- 3.30 p.m. – Summing Up Speech.

March 21, 2024

- 8.00 a.m. – 1.00 p.m. – Presentation of the newest research results of our Institute and discussion of the latest scientific achievements, findings and concepts of research development by the participants.

Authors' Guidelines:

Abstracts that have not been previously published, containing new theoretical and practical results on the topic of the conference, up to 1–3 pages in A4 format without page numbering (**text only, no Tables, Figures and References**). The deadline for submission of abstracts is **March 10, 2024**.

The conference abstract should be written in.doc or .docx format (MS Office Word 98–2010), 14 pt Times New Roman font, without hyphenation, with 1.0 cm line spacing, 1.25 cm paragraph, and 2.0 cm margin on all sides.

Conference abstract structure:

- UDC is in the first line on the left;
- the title of the conference abstracts should be aligned in the centre, in capital letters, in 12pt font;
- the authors' names (use Italic Bold font), their scientific degree, academic title (only Italic font);
- affiliations of authors – in Italic font;
- the text of the conference abstract should be placed below in single line spacing.

Abstracts should be submitted in electronic form with the file extension: *.docx, *.doc or *.rtf (Word for Windows 98–2010) to the Organising Committee's e-mail.

Files with abstracts and appendices should be named after the surname of the first author.

The authors are responsible for the content of the materials, the copyright compliance, and the accuracy of the experimental data.

The Organizing Committee reserves the right to select abstracts.

Abstracts are published in the author's edition.

Your submitted abstracts will be considered accepted after receiving confirmation from the Conference Organising Committee by e-mail.

Conference Official Language:

Ukrainian, English

The Conference participants will receive:

- the Conference Participant Certificate (electronic version) at the request of the participant;
- the Proceedings of the International Scientific Conference in electronic format (.pdf file).

Information for participants

Organizing Committee address:

SE Institute of Grain Crops of NAAS, 14 Volodymyr Vernadskyi St., Dnipro, 49009, Ukraine.

Contact number: (+38) 0501899836;
(+38) 0673865671
